INTRO: **G D A G** x2

CHORUS:                   **D**                   **A**                   **G**  
If ever if ever I could see you again Mhmmmm Mmmmm  
                                 **D**                   **A**                   **G**  
If ever if ever I could see you again Mhmmmm Mmmmm

**D**  
won't you take me back to where we used to play,  
**A**                                   **G**  
hang on every word, hang on every moment

**D**  
I know you're in between now, and I know you can't stay,  
**A**                                   **G**  
give me one more rising sun, just one more setting moment.

**D**           **A**                                   **G**  
it felt so bright, I had to turn away. I turned back around, and the moment had been stolen

**D**  
you make magic out of nothing, you make my fears go away,  
**A**                                   **G**  
but who will make the words or find the answers for them

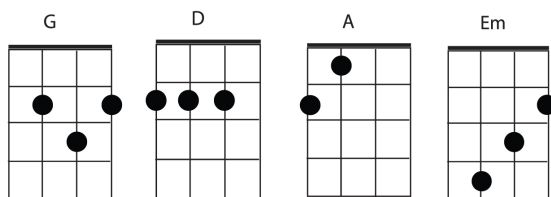

REPEAT CHORUS

BREAK: **G D A G** x2

# If Ever

By Paula Fuga and Jack Johnson, Released: 2021

Arranged by Eric Guerin

**G** **D** **Em** **A**  
handmade mornings...and trails we walked on...The pain that shapes us...like rain on rocks now.

**G** **D** **Em** **A**  
changing faces...are woven in my...future I see...don't say it out loud.

**G** **D** **Em** **A**  
shade from too much...I miss you most times...or the ideas of you...fall through my mind.

**G** **D** **Em** **A** **A**  
thoughts I can't lose...I sometimes try to...hold what I can...If I can't hold you.

REPEAT CHORUS X2

OUTRO:
